

# Come Help Shape the Town of Braintree's Future!

**WHEN:** November 16, 2015  
6:30 p.m. – 8:30 p.m.

**WHERE:** Cahill Auditorium, Town Hall

The Town of Braintree has begun a major review and update of its Zoning Ordinance and Zoning Map. The last major revision was completed in 1970. A town's Zoning Ordinance should support its overall goals for the future.

## What are our shared goals for the future of Braintree?

What will Braintree be like in 5 years? 10 years? 20 years? If we do not plan for the future, will the Town stay the same? What would change?

What do we love about our Town?  
How do we retain what we love?  
What could be different?

*How shall we go about making Braintree an even better place to live, work, play, and visit?*

**There will be a raffle for those who attend the meeting!**

Mayor Joseph C. Sullivan
